

## **Basic Funeral**

In accordance with the National Society of Allied and Independent Funeral Directors Code of Practice we are able to provide a basic funeral to the specification of the code, which was written in conjunction with the Office of Fair Trading:

- Making all necessary funeral arrangements and providing professional advice.
- Removal of the deceased to a suitable resting place, allowing 10 running miles within normal working hours.
- Provision of a simple foil veneered coffin and conveyance by motor hearse direct to a local cemetery or crematorium.
- Providing the Funeral Director and all necessary staff.

£2,000.00 plus disbursements

This basic funeral excludes the following services:

- Provision of a limousine or car
- Embalming
- Viewing of the deceased at our Chapel of Rest
- Ordering floral tributes
- Delivery of floral tributes to a local hospital or nursing home following the funeral service.
- Listing of floral tributes
- Dealing with charitable donations sent in lieu of floral tributes
- Placing obituary or acknowledgement notices.

## **Direct Cremation**

This simplest of all funerals which meets the needs of a growing number of people who desire a respectful committal with minimal attention. Direct cremation is a practical, alternative, and lower-cost option when compared to a traditional funeral service. The Deceased is cremated without any initial service or procession and is suitable only for clients wishing to have a cremation but who do not wish to attend the funeral. No mourners are permitted to attend the cremation and no music can be played. A simple cardboard urn (Worthing Crematorium) or plastic urn (Chichester Crematorium) is provided for the cremated remains which will be collected from the crematorium and made available for the client to lay to rest:

- Making all necessary funeral arrangements for the cremation.
- Removal of the deceased to a suitable resting place, allowing 10 running miles within normal working hours, storage of the deceased in our mortuary facility and basic temporary preservation treatment
- Provision of a simple foil veneered coffin and conveyance by motor hearse, Private Ambulance or estate car direct to Chichester or Worthing Crematorium.
- Provision of the necessary staff.

£1,500.00 plus disbursements if at Chichester Crematorium (+ Doctors fees + Chichester Crem fee of £499)

£1,650.00 plus disbursements if at Worthing Crematorium (+ Doctors fees + Worthing Crem fee of £565)

This basic funeral excludes the following services:

- Provision of a limousine or car
- Embalming
- Viewing of the deceased at our Chapel of Rest
- Ordering floral tributes
- Delivery of floral tributes to a local hospital or nursing home following the funeral service.
- Listing of floral tributes
- Dealing with charitable donations sent in lieu of floral tributes
- Placing obituary or acknowledgement notices.

## **Traditional Funeral**

The traditional service provides for the coffin or casket as selected below and comprises of the following elements;

- Removal of the deceased to a suitable resting place, allowing 10 running miles within normal working hours.
- Use of our mortuary facilities and care of the deceased.
- Use of our Chapel of Rest and basic hygienic care.
- Taking instructions, making all necessary funeral arrangements and providing professional advice.
- The preparation and submission of all statutory documentation to the relevant authorities.
- Various administrative tasks including ordering floral tributes, listing of floral tributes, and placing obituary or acknowledgement notices.
- Conveyance by motor hearse, leaving from either our premises or a local address, to a local church, local cemetery or local crematorium.
- Providing the funeral director and all necessary staff.
- Conveying floral tributes to a local hospital or nursing home following the funeral service.

The prices displayed for the traditional funeral are for our professional fees and service, and the cost varies only by the selection of the coffin or casket. The costs are laid out below.

***To calculate the total cost of the funeral service, you must add the cost shown next to the coffin description, to any supplementary services offered by us and to the disbursements which are paid by ourselves in advance of the funeral service. A full written estimate will be issued upon confirmation of the funeral arrangements.***

Other alternative funeral services can of course be provided, such as the provision of a horse drawn hearse with black or white horses or alternative motor vehicles like a Rolls Royce hearse or limousine, or a vintage lorry or a motor cycle hearse.

Details and costs for these alternative funeral services can be found later in this price list.

Details of these additional services and disbursements can be found on the following pages.

N.B. these charges apply to printing produced in house by Kevin Holland Funeral Service

Please note:

The printing charges stated here apply to any standard service sheet printing, printed and supplied 'in house' by Kevin Holland Funeral Service.

If the services of a professional printing organisation are required different charges will apply.

The costs are based on provision of white paper/card, on a thickness of 100 gsm, 160 gsm, 200 gsm or 250 gsm. Other costs will apply if printing on other materials.

Should the contents of the service sheet be of a large or complicated nature (e.g. Large number of hymns or readings, or detailed/complicated art work or design etc) the price will be determined upon application depending on the work involved.
